

UN Relief & Rehabilitation Administration (UNRRA)

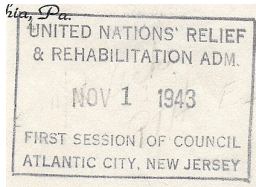

UNRRA was established in November 1943 to provide for refugee assistance in liberated areas. It was headquartered in Washington, DC. UNRRA was governed by a Council which met six times between 1943 and 1946. UNRRA was not a UN Agency, but was a forerunner of the International Refugee Organization (IRO). Its operations were taken over by IRO, WHO, FAO & UNICEF.
